

Remarks:

Applicant has studied the Office Action, and wishes to thank the Examiner for withdrawing the finality of the previous office action and allowance of claims 21, 23-31 and 34-42. Claims 32 and 33 remain rejected.

By virtue of this amendment, claims 32 and 33 are canceled. Claims 25 and 27 are amended to correct typographical errors. Accordingly, all remaining claims pending in the application are in condition for allowance.

No amendment made was related to the statutory requirements of patentability unless expressly stated herein; and no amendment made was for the purpose of narrowing the scope of any claim, unless Applicants have expressly argued herein that such amendment was made to distinguish over a particular reference or combination of references.

If for any reason the Examiner finds the application other than in condition for allowance, the Examiner is requested to call the undersigned attorney at the Los Angeles, California, telephone number (213) 623-2221 to discuss the steps necessary for placing the application in condition for allowance.

Respectfully submitted,
Lee, Hong, Degerman, Kang & Schmadeka
